Dear Sir:

On August 9, 2004, Applicants submitted an Information Disclosure Statement (IDS) in the above-identified patent application. The Information Disclosure Statement, including copies of all references (containing translated English abstracts for JP 2001-256322 and JP 2002-6863, and complete English translations of JP 2001-167183 and of the Search Report, as previously provided on August 9, 2004), and the Status Letter Mailed to Applicant, are attached hereto as Exhibit A.

On March 17, 2008, the Examiner issued an Official Action for the above-identified case. The Official Action stated that the IDS of August 9, 2004 (among another) was not considered by the Examiner because copies of the non-patent literature and foreign patent documents must be submitted, along with an English abstract of each reference. The Official Action, including the lined through version of the August 9, 2004, IDS is attached hereto as Exhibit B.

Due to the fact that the references were correctly submitted to the USPTO, with the required translation for each, Applicants hereby respectfully request that the Information Disclosure Statement of August 9, 2004, be considered by the Examiner.

Although no fees are believed due in connection with this communication, please charge any fees deemed necessary to Deposit Account No. 19-1970. If additional information is required please contact the undersigned.

Respectfully submitted,

SHERIDAN ROSS P.C.
